

# ACETONA ENERGY PLUS -LIQUID

Give your cows a head start on ketosis!

## IMPROVE MILK YIELD

- Acetona Energy Plus –liquid effectively prevents subclinical ketosis
- Contains a unique combination of sugar alcohols and propyleneglycol
- Increases blood glucose, improves feed intake and milk yield

## BETTER FERTILITY AND HEALTH OF NEWLY CALVED COWS

- Slows down weight loss, decreases fertility issues
- Higher blood glucose and lower amount of ketone bodies support cows' immune protection

## EXCELLENT EFFICACY OF LIQUID FORM

- Small dosage rates and good palatability

**Prevent ketosis and profitability losses!**

Invest in preventing ketosis with Actona Energy Plus -liquid
